

# LIMSI, LIQUID FOR CLEANING SILICONE.

## Descripción

Liquid for cleaning silicone. It removes the residues from silicon putty.

## Application

LIMSI is suitable for cleaning pieces during works of joinery, baths, kitchens, etc... where silicone putty is used.

## Surface preparation

Not necessary.

## Modes of application

Apply on the stain by a dampened cloth with LIMSI. Let it act from 10 to 30 minutes. Damp again the cloth and scrub on the stain.

- Take care with the application on wood because it can damage it.
- It is always recommended to do a test in a unused area in order to check that the cleaner does not affect the support.

## Clean up
